PROJECTS

Arheb - ارحب

Android [↗](#)

ios [↗](#)

- It is a user-friendly mobile application that enables users to discover and book travel experiences, trips, entertainment activities, comfortable stays, and quick rides all in one place.
- It offers secure in-app search and payment, trusted service options, and a smooth, reliable booking experience from start to finish — making travel planning and reservations easy.

Mosaedoon Real Estate

- It is a real estate intermediary application that connects property sellers, buyers, and renters. It enables property owners to list real estate for sale or rent, while helping clients easily find properties to buy or rent.
- The app also offers professional real estate consultation services to help users make informed and confident property decisions

Laundry Goo

- It is a service marketplace application that connects users with laundry service providers offering washing and cleaning services for different types of clothes, fabrics, and household items.
- Users can browse and select a suitable laundry based on location, service availability, and user ratings, ensuring a convenient and reliable laundry experience.

I love my prayer

Android [↗](#)

ios [↗](#)

- The “Aheb Salaty” (I Love My Prayer) app is an excellent and beneficial application designed to encourage children to pray and maintain consistency in their prayers.

Caesar of Biology

Android [↗](#)

- It is an educational app designed for biology courses. It provides the latest explanations and best summaries of the subject matter.

Dr Dent

Android [↗](#)

ios [↗](#)

- It is the first comprehensive and specialized guide to the dental market. It brings together dental centers and clinics, companies, suppliers and laboratories in the dental sector, doctors and dental graduates.
- It allows you to create your own page and build a new network of relationships that is wider than your existing network.

D3aya Plus

Android [↗](#)

ios [↗](#)

- D3aya Plus brings together the best stores and high-quality products.
- Providing a shopping experience with affordable and competitive prices.
